

**New Meet...New Meet...New Meet**  
**Cool Breeze Evening Invitational**  
Under the lights  
**@ EL Prado Golf Course**  
In Chino

*Beat the heat and race the way cross country should be run, on grass and under the lights at El Prado Golf Course. The cool breeze and racing under the lights will give your athletes the excitement of night racing and all on a golf course. Avoid the very hot September weather. This is a loop course done twice with a wide grass start. It's excellent for spectators and coaches to see your athlete multiple times during the race, and beat the heat.*
